RE: MB Docket 10-56

Dear Chairman Genachowski

Throughout the years, television stations like KNTV have been excellent supporters and partners with our group and others in the non-profit community. The station devotes significant resources to public service and has the ability to inform large numbers of viewers about important community events such as the San Jose Holiday Parade and Christmas in the Park. They also increase awareness of important issues facing local residents. We support the proposed Comcast/NBC joint venture because it will result in stronger local NBC stations and enable those stations to continue to provide this valuable community service to residents and non-profit organizations.

Sincerely

Ed Bautista, Executive Director
San Jose Holiday Parade
